ALLIANCE AGAINST GENOCIDE
Pledge Against Genocide

1. I pledge to do my part to end genocide: the intentional destruction, in whole or in part, of a national, ethnical, racial, or religious group.
2. I commit myself never to be a passive bystander to genocide anywhere.
3. I promise to report any signs of the approach of a genocide to government officials, to the press, and to organizations that can take action to prevent it.
4. I will protest the acts of planners and perpetrators of genocide. I will not remain silent about their incitement of hate crimes, mass murders and other acts of genocide.
5. I will assist the victims of genocide and will help them escape from their killers. I will support the victims with humanitarian relief.
6. I will not stop my protests against genocide until that genocide is stopped.
6. I will support lawful measures to prevent, suppress and punish the crime of genocide in accordance with the Genocide Convention
